## HERE IS HOW I'M FIGHTING TO KEEP WASHINGTON ACCOUNTABLE:

- ★ If the Veterans Administration cannot provide timely care to veterans, we need to get them care at a private medical facility. **Our veterans fought for us**—now it's our turn to fight for them. (Read: H.R. 4810)
- ★ Holding senior management at the Department of Veterans Affairs accountable **isn't optional, it's essential.** (Read: H.R. 4031)
- ★ Citizenship is a privilege, not a right. **No amnesty. Period.** No Social Security or federal government benefits for illegal immigrants. (Read: H.R. 2745)

*Congressman Forbes listens to a World War II veteran at the Boykins Memorial Day Service.*

- ★ **Protect Social Security and Medicare.** No funds allocated for Social Security or Medicare should be used for any purpose other than Social Security or Medicare. (Read: H.R. 3161)
- ★ **Balance the budget.** Washington has an obligation to get our country's fiscal house in order so we can keep our promises to our nation's veterans and seniors. (Read: H.J. Res.1)
